the foreign broadcasts including those of Pakistan TV are monitored and suitable programmes put out on our electronic media to counter the adverse propaganda contained in such broadcasts.

Works Executed by AIR and DDK and Civil Construction Wing Statement

971. SHRI RAMACHANDRAN PILLAI : Will the Minister of INFORMATION AND BROADCASTING be pleased to state :

(a) whether there was any decision taken in 1971 that all the construction works of AIR and Doordarshan Kendras will be executed through Civil Construction Wing of AIR;

(b) if so, the reasons for which the works is now being executed directly by AIR and DDK;

(c) what are the details of works executed by AIR and DDK directly in 1992-93; and

(d) what are the reasons for works not being executed through CCW ?

THE MINISTER OF STATE OF THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI K. P. SINGH DEO) : (a) The Government had taken a decision in 1970 that the civil construction works of the Ministry of Information and Broadcasting would be executed through the Civil Construction Wing to be set up in All India Radio.

(b) to (d) The civil works relating to the plan activities of All India Radio and Doordarshan are being carried out by Civil Construction Wing only. Due to urgency involved, some minor works| works connected with the installation of equipment and security of the installations were not executed through Civil Construction Wing, by All India Radio and Doordarshan during 1992-93. The details of such works are given in the enclosed statement.
